Hello,

I am writing you in concern to my case. Last december, I told Mr. diamanstein vital information regarding my case, and he hasn't said anything to anyone. I contemplated on telling my agents but Mr. diamanstein told me not to. He made me sign a plea knowing that I am being treated unjustly.

There are 3 other people who was involved in my case who are not locked up. I told Mr. diamanstein that and what really happened surrounding my case.

I was coerced. But Mr. diamanstein told me I did my crime out of duress. I am still scared and I don't know what to do. My Brother had a lot to do with my crime, and so did his wife. I told my Brother I was scared and he gave me his gun & told me to hit the drawer and try to hit the safe. I told Lindsay I didn't want to. I knew he would hurt me and my girlfriend. Terry would also. Terry has sexually assaulted me when I was in the group home in 2011. He knew where

I lived. Then my brother knew what was going on, and he told me I better stop bitching up. I told my evaluator most of this last year when I was in Missouri. I was scared to tell on my brother because he knows my girlfriend and he might hurt her. He has sexually harassed her in the past 3 months. He is violent. He has tried to kill me before. I called 911. He has sexually molested me, I have marks still. His wife knew about what was going on. Terry knew & helped. They have me locked up and I had little control over what I did. I was scared. The man had a loaded gun. I didn't. If I've been taken advantage of my whole life, & raped, & abused, what do you expect me to do when someone tells me they gonna hurt me and my girlfriend, if I don't do what they say? I am not a criminal. I've been through a lot, and my life is getting taken away from me, when I only did what I thought was right and on top

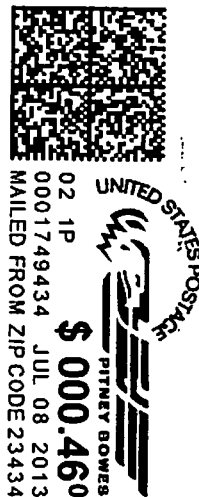

of all that I've been through
 hell these past 17 months, assaulted
 by prison guards and a lot more,
 I've been to 8 jails and 2
 prisons. I'm so frustrated and confused.
 I don't know why I'm locked up
 facing 32 years. If anything I
 should get no more than 5. Because I
 could've called the police but me
 being scared and all I didn't.
 I've been done wrong by my family
 my whole life and here I am
 fighting for my life, and it
 looks so bad. Because, I swear
 I did what I thought was right.
 I want to go to trial. I
 want to withdraw my plea, and
 go to trial. I'm being treated
 unjustly, and I want a jury to
 decide. please send a copy of
 this to the U.S. Attorney.

Sincerely,

Michael D. Suck
